Background

University Services team members are the foundation of our organization. We value and respect one another's diversity, knowledge and experience, while fostering a culture of appreciation, and we are committed to providing learning opportunities and support in order for our people to flourish.

The Team Foundation Award is presented to a University Services team (2 or more individuals) for their exceptional performance, outstanding achievements and teamwork that have made a positive impact on customers' Princeton experience(s).

Selection

Award winners will meet the general requirements (see General Guidelines) and be selected based on the committee's review of Part II: About the Team on the nomination form.

Award

Award winners will receive a monetary award (divided equally among team members) and a commemorative plaque for each team member which will be presented at the annual Rewards and Recognition event. A team that has been awarded the Team Foundation Award may not be considered for a second Team Foundation Award within a five-year period; however, individual members of the team may be nominated as part of a different team or for the Individual Foundation Award. Winners are also eligible to be nominated for awards in different categories. Please note that all monetary awards are subject to taxes and dollar amounts are subject to change each year.

Nomination Process

To nominate a team for the Team Foundation Award, please **complete PART I through PART III.**
